*This is a hypothetical suggestive cabinet formation and political analysis based strictly on the BJP-winning MLA list from the uploaded Election Commission results.*

*This proposed cabinet attempts to balance political strength, administrative capability, regional representation, and symbolic leadership within the BJP's 2026 West Bengal mandate. Key ministries have been assigned to MLAs whose backgrounds, constituencies, public image, or organizational strengths align naturally with their portfolios — such as industrial-belt leaders handling commerce and infrastructure, tribal-region representatives leading forest and tribal affairs, and urban-facing leaders managing technology, housing, and metropolitan development. Under the leadership of Suwendu Adhikari, the broader goal of this cabinet would be to transition West Bengal from decades of political stagnation toward administrative stability, industrial revival, infrastructure expansion, rural modernization, and the long-term restoration of Kolkata as a major economic and cultural powerhouse of India.*

### **POLITICAL STRUCTURE OF THIS GOVERNMENT**

<b>Power Bloc</b>	<b>Representation</b>
<i>Suwendu camp</i>	<i>Dominant</i>
<i>Old BJP organization</i>	<i>Strong</i>
<i>North Bengal</i>	<i>Very strong</i>
<i>Junglemahal/ST belt</i>	<i>Strong</i>
<i>Kolkata bhadralok</i>	<i>Strong</i>
<i>Industrial belt</i>	<i>Strong</i>
<i>Women leaders</i>	<i>Visible</i>

### **CORE GOVERNMENT AGENDA**

#### **Phase 1**

- ✓ *administrative cleanup,*
- ✓ *law & order stabilization,*
- ✓ *anti-corruption operations,*
- ✓ *cadre dismantling.*

#### **Phase 2**

- ✓ *Kolkata modernization,*
- ✓ *IT & startup growth,*
- ✓ *port-led industrialization,*
- ✓ *logistics corridors,*
- ✓ *manufacturing revival.*

#### **Phase 3**

- ✓ *restoring Kolkata as Eastern India's premier economic and cultural metropolis.*
